

THE SYMPOSIUM MODEL: One Approach to Scalable Faculty Development

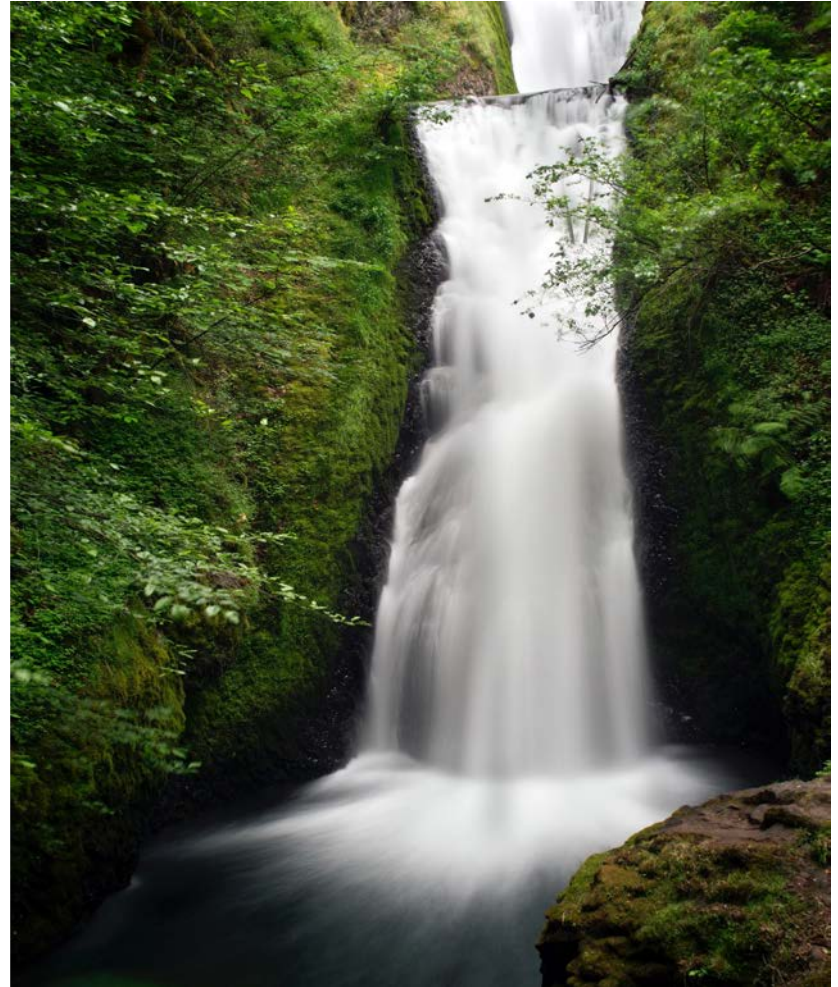

**Rod McRae, Director, Center for Teaching and Learning
University of West Georgia**

**Marina Smitherman, Chair, Department of Life Sciences & CETL Fellow
Dalton State College**

Think about this question:

What's your dream state for how faculty could be engaged to lead change on your campus?

Introduction to the Symposium Model

ESSENTIAL ELEMENTS OF FACULTY SYMPOSIUM

Examples of Faculty Symposia

1. Summer 2016 – UWG’s adoption of principles and practices of Liberal Education and America’s Promise (LEAP)

What topics could serve as the focus of a symposium on your campus?

- 1. What's important to your campus right now?**
- 2. What initiatives are you undertaking?**
- 3. What policies need revision or review?**

Thank you for your time!
